Re: Objections to Annual Wage Order No. 15

Dear Sirs/Mesdames:

FILED
APR-2 2008

LABOR AND INDUSTRIAL RELATIONS COMMISSION

On behalf of Road Sprinkler Fitters Local Union No. 669, and pursuant to 8 CSR 20-5.010, an objection is hereby filed regarding Annual Wage Order No. 15, which was issued by the Division of Labor Standards on or about March 10, 2008. This letter and all supporting documents are being filed in triplicate with the Commission. The Union specifically objects to the prevailing wage rate set for Sprinkler Fitters under Annual Wage Order No. 15 for Boone County:

Rate Listed: \$16.50 / \$2.60 Suggested Rate: \$29.84 / \$13.60

In support of the Union's objections, enclosed please find the following documents:

**EXHIBIT A - Contractor's Report of Construction Wage Rates.** This Report of wage rates details the hours worked by, and wages paid to, Sprinkler Fitters employed in Boone County by National Fire Suppression (A Division of Western States Fire Protection Company) in the calendar year 2007. The report notes that a total of 1,415 hours were worked and paid at the rate of \$29.84 per hour, with a total fringe benefit package worth \$13.60 per hour.

**EXHIBIT B - Contractor's Reports of Construction Wage Rates.** These two Reports of wage rates details the hours worked by, and wages paid to, Sprinkler Fitters employed in Boone County by Heartland Fire Protection LLC in the calendar year 2007. The reports note that a total of 1,026 hours (406 on one project; 620 on another project) were worked and paid at the rate of \$29.84 per hour, with a total fringe benefit package worth \$13.60 per hour.

Letter to Labor and Industrial Relations Commission Page 2

The undersigned hereby certifies that a copy of this letter of objection, along with a copy of each of the enclosures, has been mailed this date, postage prepaid, via U.S. First Class Mail, to the Division of Labor Standards, P.O. Box 449, Jefferson City, Missouri 65102-0449. Because this is an Annual Wage Order rather than a specific wage determination, there is no "requesting party" to whom a copy need be sent.

Thank you for your consideration of this matter. Should you have any questions with regard to the enclosed documents or anything asserted herein, please do not hesitate to contact the undersigned.

Sincerely,

Scott L. Brown

Re:

Objections to Annual Wage Order No. 15

Dear Sirs/Mesdames:

APR -3 2008

LABOR AND INDUSTRIAL RELATIONS COMMISSION

On April 2, 2008, I sent the Commission, on behalf of Road Sprinkler Fitters Local Union No. 669, an objection to Annual Wage Order No. 15, which was issued by the Division of Labor Standards on or about March 10, 2008. Specifically, Local 669 objected to the prevailing wage rate set for Sprinkler Fitters working in Boone County (Order No. 15 lists this rate as \$16.50, with total fringe benefits worth \$2.60. Local 669 has suggested the appropriate rate is \$29.84 with total fringe benefits worth \$13.60).

In further support of the Union's objections, enclosed please find the following documents:

**EXHIBIT C - Contractor's Reports of Construction Wage Rates.** These four Reports of wage rates details the hours worked by, and wages paid to, Sprinkler Fitters employed in Boone County by American Fire Sprinkler Corp. in the calendar year 2007. The reports note that a total of 2,967 hours were worked and paid at the rate of \$29.84 per hour, with a total fringe benefit package worth \$13.60 per hour.

This letter and all supporting documents are being filed in triplicate with the Commission. The undersigned hereby certifies that a copy of this letter of objection, along with a copy of each of the enclosures, has been mailed this date, postage prepaid, via U.S. First Class Mail, to the Division of Labor Standards, P.O. Box 449, Jefferson City, Missouri 65102-0449. Because this is an Annual Wage Order rather than a specific wage determination, there is no "requesting party" to whom a copy need be sent.

Letter to Labor and Industrial Relations Comm'n Page 2

Thank you for your consideration of this matter. Should you have any questions with regard to the enclosed documents or anything asserted herein, please do not hesitate to contact the undersigned.

Sincerely,

Scott L. Brown

Enclosures
